Dear Beth,

I want to thank you for the generous donation of shoes and socks for children attending our summer camp program from Step It Up, Inc. With three centers in St. Louis – our founding location at Sportsman's Park on the city's north side, the Adams Park Unit in the Forest Park Southeast neighborhood, and our new unit at Hazelwood Southeast Middle School – the Club is a caring, creative resource for over 3,200 youth.

Every day, Herbert Hoover Boys & Girls Club positively influences hundreds of young lives through education, mentoring, sports and health programs. We help children develop, teach them to make positive decisions and provide opportunities for a brighter future.

Thank you again for helping us be *The Positive Place for Kids!*

Sincerely,

Flint W. Fowler, Ph. D.
President
